Dear Music Together Families,

I am thrilled to announce that Sing & Play 50k is underway.

On May 19, we will be filling the air with over 50,000 seconds of music – **a testament to the vibrant, musical community we live in and to the power of music to connect and nourish us.**

In addition to the music we make together, Sing & Play 50k is **a day to support a home for music education** in the Upper Valley. We have raised 80% of the total cost for this new home at 8 South Park Street. Now we need to complete the campaign so that we can invest all of UVMC's resources in high quality programming, accessible to everyone.

We're looking forward to celebrating with you on May 19, whether you make music, raise funds, or both. Check out the schedule, choose your events, and **register online today!**

UVMC will host a Music Together® Open House as part of Sing & Play 50k from 10-11 am in Colburn Park (Rain Location: Lebanon First Congregational Church fellowship hall). If you have a regularly scheduled Music Together class on Saturdays, those will still take place. If you're wondering whether those 2,700 seconds of music-making in classes count toward the 50k, the answer is yes, absolutely!

To participate in the 10 am Open House, or any other SP50k events, please register online. If you're attending your normally scheduled class, no need to register - just show up as normal! Current UVMC students (Winter or Spring MT sessions) pay no registration fee to participate.

Fundraising is totally optional. We hope that if you love having a home for music education as much as we do, you'll help us reach the goals for SP50k: \$100,000 and 1,000 donors.

If you choose to help fundraise, **you can easily tell your story** with a personal donation page. And, as a little fun incentive to get going, *if you create your personal donation page by April 6, you receive a SP50k car magnet or shaker egg.*

Here are all of the materials you need to get started:

- Fundraising Guide & FAQs (available online or in the office)

On May 19, I'll be singing and playing all day long. What will you be doing?

Let's make music!

Yours in notes and rhythms,
