SING AND PLAY! 30 FOR 30

If I Had a Hammer

1. If I had a hammer, I'd hammer in the morning
I'd hammer in the evening, all over this land
I'd hammer out danger, I'd hammer out a warning
I'd hammer out love between my brothers & my sisters
all over this land

C E_m F G (2x) / C - D - G - - -

2. If I had a bell, I'd ring it in the morning...
3. If I had a song, I'd sing it in the morning...
4. Well I got a hammer & I got a bell
And I got a song to sing all over this land
It's the hammer of justice, it's the bell of freedom
It's a song about **love between...**

Lean on me, when you're not strong
And I'll be your friend, I'll help you carry on
For, it won't be long
Til I'm gonna need somebody to lean on

Please swallow your pride
If I have things you need to borrow
For no one can fill
Those of your needs that you won't let show

(bridge) You just call on me brother when you need a hand
We all need somebody to lean on
I might just have a problem that you'll understand
We all need somebody to lean on

D - - - - - / - - - - A - D - ::

If there is a load
You have to bear, that you can't carry
I'm right up the road
I'll share your load if you just call me

I see trees of green, red roses too
I see them bloom, for me and you
And I think to myself
What a wonderful world

I see skies of blue, and clouds of white
The bright blessed day, dark sacred night
And I think to myself
What a wonderful world

The colors of the rainbow, so pretty in the sky
Are also on the faces, of people going by
I see friends shaking hands, sayin', "How do you do?"
They're really sayin', "I love you"

I hear babies cryin', I watch them grow
They'll learn much more, than I'll ever know
And I think to myself
What a wonderful world
